Allouez Pool becomes Y's Broadview Branch Saturday

The facility formerly known as the Allouez Pool becomes the Broadview Branch YMCA effective Saturday, six weeks after the Allouez Town Board and YMCA directors approved a 50-year lease at a fee of \$1 per year.

The agreement came nearly a year after negotiations began and despite petition efforts by some Allouez residents to keep the pool under the town's jurisdiction. The YMCA was seeking additional space, especially for its swimming programs.

The facility had been losing money for the town for several years and as a result was recently kept open only during the summer months. Under the agreement, the YMCA has the option to extend the lease an additional 10 years but must complete a \$1 million improvement project by Jan. 1, 1989.

The first session of adult and youth programs is scheduled to run Sept. 10-Nov. 3 at the new Broadview YMCA, near Langlade School in Allouez.

Registration begins Sept. 4 for YMCA members and Sept. 5 for non-members. Registration hours are 9 a.m.-6 p.m. Sept. 4-7 and 6
